Specifically describe the hold used and the amount of force necessary to gain control of IM/Detainee.</p> <p>On July 25, 2020 at 2044, Seattle Police arrived with an uncooperative inmate. Officers Woolsey and Harraway accompanied me to the Vehicle Sally to assist. From the back of the van, Inmate Look, Eric (220012163) could be heard yelling, demanding that we get him out of the vehicle. The Seattle Police Officer explained that during the transport, Look had continually yelled and made verbal threats toward officers.</p> <p>Officer Harraway opened the van door. As Look stepped out, Officer Harraway attempted to secure his arm to ensure he did not fall. Look pulled away and said, "don't fucking touch me. You can't touch me." Officer Woolsey stepped in and secured Look's right arm in an escort hold while Officer Harraway secured his left arm. As the two officers escorted Look into ITR, he repeatedly tensed up, tried pulling away, and continued yelling threats and demands.</p> <p>Once at the pre-book counter, both officers secured Look's body against the counter. He then threw his own head and upper body down onto the counter, hitting his face. The officers noticed the impact caused a cut on his lip resulting in some bleeding. Look was compliant with the remainder of the intake process. Nurse SueAnne completed the medical intake, evaluated the cut on his lip and cleared him for housing in our facility.</p> <p>Officers Woolsey and Harraway escorted Look to Cell 9 where he cooperated with the dress-out process by removing his own clothing. He was given a clean uniform and all staff exited the cell without further incident.</p>

Officer's Report

To: Major T. Clark	Via: Chain of Command	Date: 7/25/2020	Time: 2044hrs
From: C. Harraway	Subject: <input type="checkbox"/> Continuation <input checked="" type="checkbox"/> Report Regarding Inmate Look, Eric (BA220012163)	Incident Number: 20-1407	

On July 25, 2020 at approximately 2044hrs, SPD called the ITR booking counter to inform staff that they were bringing in an uncooperative male who was kicking and thrashing around in the transport van. Once SPD arrived in the vehicle sally, I opened the back door and observed Inmate Look, Eric (BA220012163) on the left side of the transport van. Inmate Look was yelling "hurry up and get me out the fucking van you piece of shit". I told Inmate Look that I would get him out of the van as soon as the two other new books were secured. SPD informed staff that Inmate Look had been screaming obscenities and stating that he was going to kill officers while in route to the jail.

I opened the door to escort Inmate Look outside of the van and he immediately started screaming "Don't fucking touch me". I held Inmate Look's left side and assisted Officer Woolsey, who had a hold of his right side in escorting him inside of the jail. Inmate Look was physically resisting our escort the entire way up to the prebook counter. Once we got up to the prebook counter, Officer Woolsey and I attempted to pin Inmate Look up against the counter to gain better control when Inmate Look attempted to pull away and threw himself at the counter and hit his face against the flat surface of counter. I observed that Inmate Look had a small cut on his lip with a small amount of blood on the counter. Inmate Look was seen and cleared by Jail Health Staff. Officer Woolsey and I escorted Inmate Look to holding cell 9. Inmate Look complied with all directives and removed his own clothing and was issued a King County Jail uniform. The door was secured with no further issues.

Officer's Report

To: Major Clark		Via: Chain of Command		Date: 07/25/2020	Time: 2120
From: Officer A. Woolsey	Subject: Look, Eric (220012163)	<input type="checkbox"/> Continuation	<input checked="" type="checkbox"/> Report Regarding		Incident Number: 20-1467

On 07/25/2020, I was on duty in ITR. At approximately 2040 hours, Seattle Police Radio called booking to advise of an officer en route to the jail with an uncooperative inmate. At 2044 hours, ITR staff responded to the sally-port to assist SPD. Inmate Look, Eric (220012163) was in the back of the transport van. He was screaming obscenities and saying he was going to kill officers. Look was escorted out of the van and towards the pre-book door. I held Look's right arm in an escort hold. Officer Harraway held the left. As we were escorting Look towards the door, he physically tensed up and turned towards me. Look was escorted to the pre-book counter. Officer Harraway and I pinned Look to the counter using body weight. Look reared his head back and slammed his own face down on the counter. This caused some blood to come from a cut in his mouth. After that occurred, Look became compliant and was cleared by JHS for booking. END OF REPORT
